

Emerging Markets Concentrated Equity

75/75

April 30, 2024

The Fund seeks to achieve long-term capital growth by investing primarily in a portfolio of equity securities of large-capitalization securities companies in emerging markets.

Is this fund right for you?

- You want your money to grow over a longer term.
- You want to invest in equity securities of the developing countries in Latin America, Asia, Africa, Europe and the Middle East.
- You're comfortable with a medium to high level of risk.

*For Partner series and Preferred partner series an advisory and management services (AMS) fee, of between 0.50% and 1.25%, is negotiated between you and your advisor. The MER doesn't include this fee.

Canada Life is currently waiving a portion of the investment management fees on the High Interest Savings fund to target an estimated management expense ratio of 1.00%. Canada Life is not obligated to continue waiving these fees and it may cease to do so at any time without notice.

The 7-day annualized yield is based on the annualized total return of the fund over the past seven calendar days and does not represent an actual one-year return. It's important to note that 7-day annualized yield is not an indicator of future performance of the fund.

†Soft capped, ‡Hard capped

Distribution of the chart, history standard and short-term reports are not permitted without including the fund profile long-term report. A description of the key features of Canada Life's individual variable insurance contract is contained in the information folder, available from your advisor. Any amount that is allocated to a segregated fund is invested at the risk of the policyowner and may increase or decrease in value.
