

CAN Risk-Managed Balanced Portfolio

75/75 - Partner

April 30, 2025

The Fund’s primary focus is to provide a balance of income and capital growth, while seeking to reduce portfolio volatility.

Is this fund right for you?

- A person who is investing for the medium to longer term while seeking a balance between income and capital growth and is comfortable with low to Medium risk.
- Since the fund invests in stocks and bonds its value is affected by changes in interest rates and by stock prices, which can rise and fall in a short period of time.

*For Partner series and Preferred partner series an advisory and management services (AMS) fee, of between 0.50% and 1.25%, is negotiated between you and your advisor. The MER doesn't include this fee.

Canada Life is currently waiving a portion of the investment management fees on the High Interest Savings fund to target an estimated management expense ratio of 1.00%. Canada Life is not obligated to continue waiving these fees and it may cease to do so at any time without notice.

The 7-day annualized yield is based on the annualized total return of the fund over the past seven calendar days and does not represent an actual one-year return. It's important to note that 7-day annualized yield is not an indicator of future performance of the fund.

[^]Deferred Sales Charge (DSC) purchase option is not available for new contributions given regulatory bans that came into effect June 1, 2023. For certain policies where DSC is the only sales charge option available, new contributions may be accepted. Additional disclosure may be required.

[†]Soft capped - Contributions are no longer accepted to new investors., [‡]Hard capped - Contributions are no longer accepted.
